Updated	Game	Applies To	Note
10/12 1:12 PM PDT	385/386 Nevada @ UTEP	UTEP	UTEP starting QB EJ Colson did not play in last week's loss to Nevada after previously suffering a concussion against New Mexico. Colson is projected to return this week.
10/10 8:47 AM PDT	471/472 Detroit @ Arizona	Arizona	The Cardinals informed wide receiver Marvin Harrison that they intend to trade him. He is not expected to be active for this game against the Lions.
10/10 6:41 AM PDT	357/358 Syracuse @ Virginia	Syracuse	Syracuse's top two quarterbacks are now doubtful. Steve Angeli is not expected to play this week while he deals with a foot injury. Kennesaw State transfer Amari Odom went 27-of-37 through the air for 335 passing yards with five touchdowns against UConn last week, but he's now listed as questionable. Well-traveled former five-star recruit Malachi Nelson is expected to get the nod this week.
10/10 6:38 AM PDT	371/372 Miami Ohio @ Massachusetts	Massachusetts	UMass QB Pop Watson III is dealing with a foot injury and is no longer expected to play this week.
10/08 9:08 PM PDT	467/468 Denver @ LA Chargers	Denver	Denver suffered a number of key injuries in last week's loss to the 49ers. Both starting cornerbacks - Patrick Surtain II and Riley Moss - were knocked out. Surtain is expected to miss the next two weeks as he recovers from an ankle injury. Wide receiver Pat Bryant is also expected to miss time with an ankle injury suffered last week at Levi's Stadium. During the week, HC Sean Payton also announced he has reclaimed old play-calling duties from OC Davis Webb after the Broncos' myriad offensive struggles the first four weeks of the season.
10/07 9:34 PM PDT	325/326 Iowa State @ BYU	BYU	BYU running back LJ Martin suffered an ankle injury last week at TCU and has been ruled out for the next 4-6 weeks, while linebacker Isaiah Glasker will also miss Friday night's game at Provo vs. Iowa State.
10/07 9:21 PM PDT	319/320 Iowa @ Washington U	Iowa	Iowa QB Hank Brown, forced out of last Saturday's game vs. Ohio State due to a sprained AC joint in his right (throwing) shoulder, will likely get nedical clearance for Friday's game at Seattle. As of midweek, however, HC Kirk Ferentz remained doubtful of Brown's participation vs. the Huskies. Backup Jeremy Hecklinski, who was engaged in a battle for the starting job with Brown throughout spring and into fall camp and took over in 4th Q after Brown was hurt vs. Ohio State last Saturday, has been taking starter's reps in practice this week, with soph Jimmy Sullivan in the backup role.
10/07 9:11 PM PDT	391/392 UCLA @ Oregon	Oregon	Ducks QB Dante Moore has returned to practice, but has been ruled out for this Saturday vs. UCLA due to ongoing concussion symptoms related to his KO at USC on September 26. Backup Dylan Raiola, with two years starting experience at Nebraska, passed for 289 yards and a pair of TDs off the bench in the recent 41-27 win over the Trojans and will get the start at Autzen Stadium vs. the Bruins.
10/06 6:20 PM PDT	393/394 Virginia Tech @ California	California	Cal QB Jaron-Keawe Sagapolutele was a combination of benched + injured in last week's loss at UNLV. Sagapolutele suffered an apparent head injury in the first half, but he was medically cleared to return. Bears' head coach Tosh Lupoi kept second-string Jackson Brousseau in the game for the whole second half, so it remains to be seen if Lupoi was protecting the health of his sophomore QB or if he is interested in seeing a little more from Brousseau in the coming weeks. Lupoi also made a play-caller change midstream last Saturday, and now passing game coordinator Pat McCann (a former OC at Fresno State) has taken overt those duties from the demoted Jordan Somerville.
10/06 5:11 PM PDT	377/378 Louisiana @ Louisiana Tech	General Event	In addition to Alabama-Georgia, this is another game that could potentially be impacted by the tropical storm picking up steam in the Gulf. Be sure to check for any potential venue changes or schedule updates.
10/06 4:53 PM PDT	403/404 Georgia @ Alabama	General Event	What first seemed a far-fetched rumor appears to be quickly picking up steam. Because of the tropical storm (potential hurricane) building in the Gulf that is forecasted to make landfall on Saturday morning, there are real talks about moving this game to a safer location. We will post updates as they become available from the SEC.
10/06 4:03 PM PDT	359/360 Connecticut @ Temple	Connecticut	UConn wide receiver Javon Brown was taken off the field in a stretcher during last week's game against Syracuse. Brown, who is averaging 14.4 yards per reception with two touchdowns this season, has returned to campus but should be considered a longshot to play in this game.
10/06 8:08 AM PDT	411/412 San Diego State @ Oregon State	San Diego State	Top Aztecs RB Lucky Sutton, who gained 1,297 yards last season, missed last Saturday's game vs. Texas State with an ankle injury suffered early in the previous week's loss at Toledo. Josiah Lucas assumed featured RB duties vs. the Bobcats and rushed for 111 yards, but the Aztecs could only muster 239 yards of offense as they were helped by defensive and special teams TDs in the 31-29 win. Sutton remains SDSU's best offensive threat, and monitor his status before this game in Corvallis.
10/05 9:56 PM PDT	417/418 Boise State @ Fresno State	Fresno State	Fresno State running back Rayshon Luke (286 rushing yards with two TDs this season) needs to clear concussion protocol this week after getting knocked out of last week's game against Washington State.
10/05 4:50 PM PDT	415/416 Air Force @ No Illinois	Air Force	Air Force QB Liam Szarka has been ruled out for the season with a leg injury.

10/05 4:17 PM PDT	463/464 NY Giants @ Washington	Washington	Commanders' QB Jayden Daniels is expected to make his return this week after missing the last two games with a dislocated elbow. Daniels' brief replacement, Marcus Mariota, suffered a sprained MCL last week and is expected to miss the next few games.
10/05 3:51 PM PDT	471/472 Detroit @ Arizona	Arizona	Cardinals' left tackle Paris Johnson suffered a torn bicep in last week's loss to the Giants and will miss the rest of the season.
10/05 2:57 PM PDT	453/454 Indianapolis @ Pittsburgh	Pittsburgh	Pittsburgh is hopeful to get running back Rico Dowdle back in the mix this week. Dowdle has missed time over the last few weeks with a toe injury, but he is expected to return to practice this week.
10/05 2:43 PM PDT	307/308 Tampa Bay @ Dallas	Tampa Bay	Bucs' safety Antoine Winfield Jr. is expected to miss the next 2-4 weeks as he recovers from a fractured rib.
10/05 2:37 PM PDT	451/452 Philadelphia @ Jacksonville	Philadelphia	The Eagles may be without their top two running backs in this contest. Saquon Barkley suffered a hamstring injury in the first half of last week's loss to the Rams and did not return. Tank Bigsby will be undergoing core muscle surgery this week and will likely miss the next month.
10/05 2:35 PM PDT	469/470 San Francisco @ Seattle	San Francisco	49ers' fullback Kyle Juszczyk is expected to miss a few weeks after suffering a sprained knee in last week's win over the Broncos.
10/05 1:59 PM PDT	461/462 Las Vegas @ New England	New England	Patriots' wide receiver Mack Hollins is questionable after suffering a calf injury in Sunday's win over the Bills. New England played that game without defensive tackle Christian Barmore and top cornerback Christian Gonzalez.
10/05 1:56 PM PDT	473/474 Chicago @ Green Bay	Chicago	Bears' running back Kyle Monangai is questionable this week with a thumb injury that he sustained in last week's win over the Jets.
10/05 1:56 PM PDT	473/474 Chicago @ Green Bay	Green Bay	Packers' linebacker Edgerrin Cooper suffered a torn Achilles in last week's loss to the Bucs.
10/05 1:48 PM PDT	459/460 Cincinnati @ Miami	Cincinnati	Bengals' wide receivers Ja'Marr Chase and Tee Higgins were both knocked out of last week's loss to Jacksonville. Chase will likely need to clear concussion protocol this week after suffering an apparent head injury against the Jaguars. Higgins is considered "day-to-day" as he recovers from a strained adductor.
10/05 12:48 PM PDT	351/352 Arizona U @ West Virginia	Arizona U	Arizona's receiving corps had a disastrous outing last week against Cincinnati. Tre Spivey will miss the rest of the season with a broken foot. Chris Hunter was seen wearing a knee brace on the sideline after the game, while Gio Richardson suffered a hamstring injury.
10/05 12:43 PM PDT	333/334 Illinois @ Michigan State	Michigan State	Michigan State was missing top linebacker Jordan Hall and three cornerbacks - Tyran Chappell, NiJhay Burt and Keyshawn Williams - in last week's 31-3 loss at Wisconsin.
10/05 12:42 PM PDT	333/334 Illinois @ Michigan State	Illinois	Senior receiver Jayshon Platt is hoping to make his season debut. Platt, a Florida Atlantic transfer who hasn't taken the field yet for the Illini, averaged 15.7 yards per reception with six touchdowns for the Owls last season.
10/05 12:35 PM PDT	313/314 South Alabama @ Arkansas St	South Alabama	South Alabama has made the full-time QB switch from incumbent starter Bishop Davenport to back-up Jared Hollins. The Jaguars have gone 2-1 with Hollins at the helm, and this will be his job moving forward.
10/05 12:30 PM PDT	397/398 Mississippi @ Vanderbilt	Vanderbilt	Vanderbilt's starting QB, freshman Jared Curtis, did not play in last week's loss to Georgia. Blaze Berlowitz hung tough against the Bulldogs, generating 8.3 yards per attempt as the Commodores only trailed by a touchdown at halftime at Sanford Stadium.
10/05 12:27 PM PDT	397/398 Mississippi @ Vanderbilt	Mississippi	Ole Miss running back Kewan Lacy is expected to return this week. Lacy missed the Week 4 loss to Florida and the Rebels are coming off their bye week, so Lacy has had three weeks to rest his sore shoulder. Head coach Pete Golding expects to ease Lacy back into the rotation this week with a slightly-decreased workload against the Commodores.
10/05 12:22 PM PDT	375/376 Central Florida @ Oklahoma State	Central Florida	UCF quarterback Alonza Barnett is not expected to return this week as he recovers from a hamstring injury. Florida International transfer Keyone Jenkins has completed 69.7-percent of his passes to go along with three rushing touchdowns in relief duty thus far.
10/05 12:15 PM PDT	341/342 North Carolina @ Pittsburgh U	Pittsburgh U	Pitt QB Mason Heintschel is expected to miss the rest of the season after suffering a knee injury in last week's win over Virginia Tech.

Updated	Game	Applies To	Note
10/05 12:06 PM PDT	359/360 Connecticut @ Temple	General Event	Temple QB Jaxon Smolik is listed as questionable once again as he recovers from a foot injury that has forced him to miss the last three games. Ajani Sheppard has seen playing time in all five games this season, so at this point, it feels like it's Sheppard's job to lose even though Smolik entered the year as the presumed starter.
10/05 11:57 AM PDT	377/378 Louisiana @ Louisiana Tech	Louisiana Tech	Louisiana Tech's Blake Baker has been re-named the starting QB ahead of this game. Baker has missed the last two games as he recovers from a hand injury. Baker's back-up, Trey Kukuk, suffered an ankle injury in last week's game against Army and he is not expected to be available this week.
10/05 9:35 AM PDT	475/476 Baltimore @ Atlanta	Baltimore	Ravens' QB Lamar Jackson did not play in the second half of last week's win over Tennessee and left the stadium in a walking boot. Injuries continue to be a problem in Baltimore as guard Andrew Vorhees and cornerback Marlon Humphrey were also knocked out of that contest, while edge rusher Trey Hendrickson did not play.
10/05 9:35 AM PDT	477/478 Buffalo @ LA Rams	Buffalo	Bills' wide receiver DJ Moore and defensive tackle Ed Oliver were both knocked out of last week's game against the Patriots.
