

Game Notes			
Updated	Game	Applies To	Note
10/15 1:40 PM PDT	265/266 Pittsburgh @ Tampa Bay	Tampa Bay	Bucs QB Baker Mayfield is still seeking clearance to be the back-up this week as he recovers from a dislocated thumb, but Tampa Bay announced that Jalon Daniels will continue to be the starter this week.
10/15 1:39 PM PDT	277/278 Arizona @ LA Rams	LA Rams	Rams offensive lineman Alaric Jackson has been suspended for two games (pending appeal) for punching a Bills player after Monday night's loss.
10/15 1:39 PM PDT	273/274 Carolina @ Philadelphia	Philadelphia	Eagles QB Jalen Hurts has been ruled out as he seeks treatment for a blood clot. Neither Saquon Barkley nor DeVonta Smith practiced on Wednesday.
10/13 8:48 PM PDT	205/206 Mississippi St @ LSU	Mississippi St	Mississippi State QB Kamario Taylor is listed as questionable with a foot injury.
10/13 10:44 AM PDT	131/132 Rutgers @ Maryland	Rutgers	Rutgers QB Dylan Lonergan has been cleared to return this week and is expected to play in this contest.
10/13 8:08 AM PDT	187/188 Nebraska @ Oregon	Oregon	Ducks QB Dante Moore missed last week's loss to UCLA while still recovering from the concussion suffered against USC on September 26. Backup and former Nebraska transfer Dylan Raiola, who passed for 289 yards off the bench to lead the win over the Trojans, was completely ineffective (43 passing yards and a pair of interceptions) in his start last week vs. the Bruins, prompting head coach Dan Lanning to opt for little-used sr. Brock Thomas in the fourth quarter to spark a late Oregon rally that fell just short. Big Ten sources don't expect word on Moore's availability for this week's game vs. the Cornhuskers, or word from Lanning on who might start the game if Moore doesn't make the post, until later in the week.
10/13 4:49 AM PDT	101/102 Delaware @ Middle Tenn St	Delaware	Delaware has not given any update on the status of QB Nick Minicucci, who is considered "week to week" as he recovers from an injury suffered against Virginia on September 26. The Blue Hens suffered a 30-14 home loss against Liberty without Minicucci in their last contest.
10/13 3:50 AM PDT	181/182 San Jose State @ UTEP	UTEP	The Miners were minus incarnate Word transfer QB EJ Colson, Jr (undisclosed injury) in last Saturday's 30-13 loss at the Sun Bowl vs. visiting Nevada. Backup Raymond Moore II took snaps instead and tossed 2 TDs, but with only 132 pass yards, he had only gained 84 yards thru the air prior to a belated TD drive in the last 2 minutes as the Wolf Pack defense played loose with a big lead. Colson likely moves back into the lineup as soon as he's given the medical clearance, though after his own struggles earlier this season, any dropoff to Moore seems negligible at best.
10/12 4:14 PM PDT	179/180 Notre Dame @ BYU	BYU	The Cougars are again expected to be without top RB LJ Martin (1305 YR in 2025), who went out early in the October 3 win at TCU with an ankle injury and didn't play in last Friday's 24-10 BYU win over Iowa State. Big 12 sources report the likely return date for Martin will be early November.
10/12 1:28 PM PDT	119/120 Washington U @ Purdue	Washington U	Washington QB Demond Williams Jr. is listed as doubtful on the Huskies' early-week injury report after suffering a rib injury against Iowa last week.
10/12 1:25 PM PDT	143/144 Akron @ Miami Ohio	Akron	Akron starting QB Cibastian Broughton has missed each of the last two games as he recovers from a knee injury. Remember, the Zips thought they were entering the year with Reese Poffenbarger under center, but he couldn't get clearance from the NCAA. Brayden Roggow played well in last week's loss to Eastern Michigan after throwing a total of five interceptions in the two games prior.
10/12 1:22 PM PDT	183/184 Wake Forest @ California	California	Cal starting QB Jaron-Keawe Sagapolutele did not play in last week's contest against Virginia Tech after previously suffering a concussion against UNLV. Jackson Brousseau went 29-of-43 for 321 passing yards in his first start with the Bears after spending the previous three years at Colorado State.
10/12 1:16 PM PDT	161/162 Navy @ Tex San Antonio	Navy	It appears that Navy has officially made the QB switch from Braxton Woodson to Jackson Gutierrez. Woodson was reportedly fully healthy ahead of last week's game against Tulsa, but Gutierrez led the Midshipmen offense to 34 points, 481 total yards and 24 first downs.
10/12 12:57 PM PDT	217/218 Nevada @ North Dakota State	Nevada	Nevada QB Carter Jones has been battling injuries all season. After missing the Week 2 contest against Montana State, Jones was knocked out of last week's 30-13 road win at UTEP and received x-rays after the game. AJ Bianco brought the Wolf Pack home in the final minutes after a strong performance by the Nevada defense.
10/12 12:53 PM PDT	177/178 Utah @ Colorado	Colorado	Colorado wide receiver Danny Scudero is hopeful to return this week after missing each of the last three games with an ankle injury. Scudero caught 88 passes for 1,297 yards and ten touchdowns last year at San Jose State.
10/12 12:51 PM PDT	125/126 Louisville @ Syracuse	Louisville	Louisville running back Keyjuan Brown is questionable after missing last week's win over Florida State. Brown is averaging 9.7 yards per carry so far this season, including a 163-yard performance against SMU in Week 3.

Game Notes			
Updated	Game	Applies To	Note
10/12 12:47 PM PDT	189/190 Alabama @ Tennessee U	Tennessee U	Tennessee head coach Josh Heupel is leaving the door open for freshman QB Faizon Brandon to return this week. After battling some early-season struggles, Brandon did not play in last week's win over Arkansas. His replacement, George MacIntyre, threw two interceptions against the Razorbacks before eventually leading the game-winning touchdown with under two minutes remaining.
10/12 12:43 PM PDT	115/116 Colorado State @ Texas State	Colorado State	Colorado State QB Hauss Hejny is not expected to play this week as he recovers from a hamstring injury. K'Saan Farrar has gotten the starting nod in each of the Rams' last two games.
10/12 12:41 PM PDT	185/186 Wisconsin @ UCLA	Wisconsin	Badgers' running back Abu Sama is expected to play this week. The Iowa State transfer has been battling bumps-and-bruises all season and has missed two games for Wisconsin, but he's generated 6.8 yards per carry when he's been healthy and available.
10/12 12:37 PM PDT	175/176 Arizona State @ Texas Tech	Texas Tech	Texas Tech running back Cameron Dickey will miss this contest with a sprained ankle. After scoring 16 touchdowns for the Red Raiders last season, Dickey struggled to get Tech's rushing attack in gear in 2026 while producing just 4.2 yards per carry.
10/12 12:33 PM PDT	125/126 Louisville @ Syracuse	Syracuse	Syracuse has an absolute mess at quarterback to sift through. Original starter Steve Angeli has missed each of the last two games. Back-up Amari Odom is dealing with a shoulder injury that forced him to miss last week's game against Virginia. Third-stringer Malachi Nelson suffered a collarbone injury in that game against the Cavaliers, forcing fourth-stringer Danny Lauter to finish the contest.
10/12 12:25 PM PDT	197/198 Missouri @ Mississippi	Mississippi	Ole Miss running back Kewan Lacy returned to limited duty in last week's win over Vanderbilt. Lacy only had seven carries for 39 yards, but with Ole Miss up 42-3 at halftime against the Commodores, there was no need to push the issue with his injured shoulder.
10/12 12:22 PM PDT	159/160 Massachusetts @ Buffalo U	Massachusetts	UMass QB Pop Watson III was a late addition to the Minutemen injury report last week. Watson missed last week's loss to Miami (Oh) with a foot injury, and early indications suggest he may miss the rest of the regular season. Watson's back-up, Aedan McCarthy, is also doubtful for this week's game after suffering a leg injury against the RedHawks. Logan Inagawa went 6-for-6 with a touchdown as the third-stringer last week.
10/12 12:22 PM PDT	141/142 Florida State @ Miami Florida	Miami Florida	Miami received some good-news-bad-news heading into this contest. Starting offensive lineman Max Buchanan is expected to miss the next few weeks with an apparent knee injury. But Miami is expecting to get edge rusher Marquise Lightfoot, cornerbacks Xavier Lucas and Damari Brown, and linebacker Ezekiel Marcelin all back this week after all four missed significant time at the beginning of the season.
10/12 12:20 PM PDT	189/190 Alabama @ Tennessee U	Alabama	Alabama star receiver Ryan Coleman-Williams is not expected to play this week after suffering a head injury in last week's loss to Georgia.
10/12 12:20 PM PDT	195/196 Arkansas @ Vanderbilt	Vanderbilt	The Vanderbilt QB discussion finally comes to a close this week as on-again-off-again starter Blaze Berlowitz suffered a broken collarbone in last week's loss to Ole Miss. True freshman Jared Curtis, who has bounced back-and-forth with Berlowitz in the role, will remain the Commodores' starter moving forward.
10/12 12:20 PM PDT	185/186 Wisconsin @ UCLA	UCLA	UCLA QB Nico lamaleava is expected to miss the rest of the regular season after suffering a leg injury last week against Oregon. Ty Dieffenbach and Madden lamaleava (Nico's brother) will compete for starting QB reps moving forward.
10/12 12:02 PM PDT	285/286 Washington @ San Francisco	San Francisco	The 49ers continue to lose bodies on offense. With fullback Kyle Juszczyk already out with a knee injury, fellow receiver Deebo Samuel suffered a hamstring injury in last week's win over the Seahawks. If Samuel is unable to go this week, Brandin Cooks and Mike Evans would be the only two healthy receivers on the 49ers' depth chart with any meaningful NFL experience.
10/12 11:56 AM PDT	265/266 Pittsburgh @ Tampa Bay	Pittsburgh	Aaron Rodgers played a clean game last week against the Colts, but he's running out of weapons to throw to. Running back Rico Dowdle and wide receiver Michael Pittman have both missed extended time, and fellow receiver Roman Wilson is now expected to miss multiple weeks with a bad finger.
10/12 11:01 AM PDT	263/264 NY Jets @ New England	New England	The Patriots have earned back-to-back wins, but things aren't looking much better in the injury department. Cornerbacks Christian Gonzalez and Carlton Davis have each missed multiple games. Running back TreVeyon Henderson, tackle Will Campbell and edge rusher Dre'Mont Jones were all knocked out of last week's game against the Raiders. Head coach Mike Vrabel said he expects Campbell, the team's former No. 4 overall draft pick, to miss multiple weeks.
10/12 10:56 AM PDT	281/282 LA Chargers @ Kansas City	LA Chargers	The Chargers have three offensive linemen - center Tyler Biadasz, left guard Trey Pipkins and left tackle Rashawn Slater - on long-term IR. They have three more offensive linemen - right tackle Joe Alt, left guard Kayode Awosika and right guard Trevor Penning - that all missed last week's game against the Broncos.
10/12 10:50 AM PDT	261/262 Houston @ Jacksonville	Jacksonville	Jacksonville remains one of the healthier teams in the league through the first five weeks, but the Jags did suffer some attrition to the offensive line last week. Left tackle Anton Harrison and long snapper Ross Matiscik were both unable to finish last week's contest against the Eagles.

Updated	Game	Applies To	Note
10/12 10:46 AM PDT	261/262 Houston @ Jacksonville	Houston	Texans' running back David Montgomery suffered a groin injury in last week's win over Tennessee. Houston will likely need to bring someone aboard, because Woody Marks and Dare Ogunbowale are the only two healthy running backs on the Texans' roster, and Ogunbowale was signed off the Raiders' practice squad two weeks ago.
10/12 10:41 AM PDT	283/284 Dallas @ Green Bay	Green Bay	Packers' defensive tackle Javon Hargrave suffered a torn Achilles in last week's win over the Bears and he will miss the rest of the season.
10/12 10:40 AM PDT	109/110 Seattle @ Denver	Denver	Considered to be one of the top units in the NFL, the Broncos' secondary continues to battle attrition. With cornerbacks Patrick Surtain II and Riley Moss already out, safety Talanoa Hufanga was knocked out of last week's win over the Chargers.
10/12 10:37 AM PDT	283/284 Dallas @ Green Bay	Dallas	Cowboys' wide receiver CeeDee Lamb and left tackle Tyler Guyton both left last week's loss against Tampa Bay with injuries. Neither are deemed to be serious and both are hopeful to play this week.
10/12 10:33 AM PDT	267/268 Baltimore @ Cleveland	Cleveland	Cleveland suffered a number of key injuries in last week's loss to the Jets. With guard Teven Jenkins and defensive tackle Mason Graham already out, the Browns lost running back Quinshon Judkins, wide receiver KC Concepcion and linebacker Carson Schwesinger to various injuries at The Meadowlands.
10/12 10:30 AM PDT	273/274 Carolina @ Philadelphia	Carolina	Panthers' wide receiver Jalen Coker, guard Damien Lewis, tackle Monroe Freeling, tackle Taylor Moton, defensive lineman Turk Wharton and edge rusher Jaelan Phillips were all battling injuries prior to Carolina's bye week. Early indications suggest most of them could be back in time for this contest against Philadelphia.
10/12 9:37 AM PDT	267/268 Baltimore @ Cleveland	Baltimore	Baltimore earned an overtime win in Atlanta last week without QB Lamar Jackson, center Cam Jurgens, guard Andrew Vorhees and edge rusher Trey Hendrickson. All will be monitored this week for a potential return.
10/12 9:37 AM PDT	269/270 Chicago @ Atlanta	Chicago	QB Caleb Williams and running back Kyle Monangai both missed last week's loss to the Packers. Williams is hopeful to return this week, but head coach Ben Johnson said the team is in no rush to bring him back from the hamstring injury that has kept him out for the last three weeks.
10/12 9:37 AM PDT	269/270 Chicago @ Atlanta	Atlanta	Falcons QB Michael Penix Jr. left Sunday night's game with what is being described as a rib injury. Early indications suggest that he is not expected to miss much time, but he is questionable for this one.
