10/25 3:36 PM PDT	473/474 Kansas City @ Seattle	Seattle	Seattle activated RB Zach Charbonnet from the injured list on Thursday, and he has been added to the 53-man roster for Sunday night's game, though late word on the weekend from HC Mike Macdonald is that Chabonnet will not be available for fhis matchup vs. the Chiefs. Meanwhile, TE Elijah Arroyo has been placed on injured reserve after suffering a shoulder injury in last Thursday's loss at Denver.
10/24 3:45 PM PDT	465/466 Cincinnati @ Baltimore	Baltimore	Ravens QB Lamar Jackson was ruled out on Saturday by HC Jesse Minter; backup Tyler Huntley will start for a third straight game. Center Cam Jurgens and offensive lineman Andrew Vorhees, who each missed the Browns game last weeky, returned to practice this week and are expected avialable for Sunday vs. the Bengals, though defensive tackle Broderick Washington (ankle) remains questionable for the Cincinnati game after missing the 13-10 loss at Cleveland.
10/24 3:43 PM PDT	461/462 San Francisco @ Atlanta	San Francisco	The Niners ruled out WR Mike Evans (Achilles) on Saturday, while WR Deebo Samuel and DE Nick Bosa, who have each missed recent action, will also be sidelined on Sunday. There remains a chance, however, that WR Christian Kirk will return to active duty from the I-R list. San Francisco HC Kyle Shanahan has said the Niners might even enter the Atlanta game with fewer than the allotted 48 players on the game-day roster. After Sunday's clash vs. the Falcons, Shanahan's team gets a well-needed bye next week, returning to action on November 8 vs. the Raiders in Santa Clara.
10/22 12:55 AM PDT	379/380 Oregon @ Illinois	Oregon	Oregon's top wide receiver Evan Stewart, who missed last week's game against the Huskers, was arrested for DUI on Sunday morning. Meanwhile, QB Dante Moore missed a second straight game last Saturday vs. Nebraska dealing with concussion symptoms, and H C Dan Lanning announced at midweek that both would miss this game vs. the Fighting Illini at Champaign-Urbana.
10/20 2:25 PM PDT	319/320 Duke @ Virginia	Virginia	Virginia's wide receiver unit is dealing with a handful of injuries. Rico Flores will miss this contest with a knee injury, while Kameron Courtney is questionable after missing last week's loss to SMU.
10/20 2:22 PM PDT	351/352 BYU @ Central Florida	Central Florida	UCF head coach Scott Frost probably wishes he had a little more clarity at the QB position heading into this matchup. Alonza Barnett has not played since Week 2 as he recovers from a hamstring injury, and even though the Knights are coming off a bye, Barnett remains a question mark. Florida International transfer Keyone Jenkins will remain the starter as Barnett tries to make a late-week push to be the back-up.
10/20 2:09 PM PDT	377/378 Iowa @ Minnesota U	Iowa	QB Jeremy Hecklinski is expected to get the start this week. On the Hawkeyes' early-week depth chart, Kirk Ferentz had Hecklinski and Hank Brown listed as co-starters but he has reportedly made up his mind. Hecklinski went 14-of-19 for 202 passing yards with three touchdowns and no interceptions in the previous week's win over Washington.
10/20 6:51 AM PDT	413/414 North Dakota State @ New Mexico	New Mexico	New Mexico is running a bit low on QBs, with returning starter Jack Layne sidelined since the outset of the season and designated-runner James Laubstein suffering a leg injury in last week's win over Hawaii. Though sophomore Toa Fa'avae threw two interceptions and was sacked twice last week in Honolulu, he did contribute a key 21-yard TD run to put the Lobos ahead for good in the fourth quarter, and as the case much of the season, he should continue to share snaps with Oregon transfer Luke Moga moving forward.
10/20 6:17 AM PDT	389/390 Kansas State @ Arizona State	Arizona State	Sun Devils head coach Kenny Dillingham pulled starting QB Cutter Boley after halftime last week at Texas Tech after Boley tossed two more picks and his third pick-six of the season in the first half against the Red Raiders. Transfer Mikey Keene (formerly at UCF, Fresno State and Michigan) replaced Boley for the second half and fared well enough with 256 passing yards and two TDs that Dillingham is expected to announce a permanent switch later in the week.
10/20 6:14 AM PDT	385/386 San Jose State @ Nevada	Nevada	Nevada QB Carter Jones missed last week's game at North Dakota State with an arm injury, and backup AJ Bianco limped thru the game in Fargo after injuring his ankle in the first quarter. 10/20 6:13 AM PDT	385/386 San Jose State @ Nevada	San Jose State	San Jose State has reportedly made the full-time QB switch from Hawaii transfer Luke Weaver to Daniel Rolovich. Head coach Ken Niumatalolo said the Spartans plan to stick with Rolovich after he led SJSU to a win over UTEP last week.
10/20 12:16 AM PDT	409/410 San Diego State @ Colorado State	San Diego State	San Diego State QB Jayden Denegal suffered an ankle injury in last week's win over Fresno State and was unable to finish that contest. Denegal has started every game for the Aztecs over the past two seasons, so San Diego State turned to frosh Stone Sanders to bring home the 26-23 win over the Bulldogs at Snapdragon last Saturday.
10/19 3:57 PM PDT	475/476 Dallas @ Philadelphia	Philadelphia	In addition to the offensive injuries to Jalen Hurts, Saquon Barkley and others, Philadelphia's defense took plenty of shots in last week's loss to Carolina. Edge rushers Jalyx Hunt and A.J. Epenesa were already out with injuries, and they were joined by Nolan Smith and Jordan Davis after last week's contest with the Panthers.
10/19 3:54 PM PDT	469/470 Green Bay @ Detroit	Green Bay	Green Bay will still be without Micah Parsons this week as he hasn't been fully-cleared to return from last year's knee injury. Packers head coach Matt LaFleur isn't sure how the team will use running back Josh Jacobs, who was removed from the commissioner's exempt list earlier this week. Jacobs will participate in practice this week, but LaFleur has not committed to adding him to Sunday's lineup.
10/19 3:47 PM PDT	471/472 LA Rams @ Las Vegas	LA Rams	The Rams suffered some major blows in last week's loss to the Cardinals. Wide receiver Davante Adams suffered a ruptured hamstring and will likely miss the next six weeks. 10/19 2:48 PM PDT	311/312 New England @ Chicago	New England	The Patriots did not leave last week's win over the Jets in good health. 10/19 2:29 PM PDT	409/410 San Diego State @ Colorado State	Colorado State	Colorado State QB Hauss Hejny is expected to be available this week after missing the Rams' last three games. Hejny was reportedly available in an emergency role last week against Texas State behind K'Saan Farrar, so all signs point to him being good-to-go this week after recovering from a hamstring injury.
10/19 2:28 PM PDT	395/396 Oklahoma @ Mississippi St	Mississippi St	Mississippi State QB Kamario Taylor is listed as questionable this week as he recovers from a toe injury.
