Game Notes

Updated	Game	Applies To	Note
10/29 10:42 AM PDT	179/180 Kansas State @ Colorado	Kansas State	Kansas State was minus senior QB Avery Johnson (neck/shoulder) during last Saturday's 28-17 loss at Arizona State, with senior Jacob Knuth on in relief and producing modest stats (26-for-41 but only for 196 yards) in the process. Head coach Collin Klein has now announced that Johnson remains out and will miss another start on Saturday, though now backup Knuth remains iffy as he deals with his own ankle injury, so it is possible, if not likely, that soph QB DIllon Duff, yet to throw a college pass, will be in the lineup at Boulder. Better news is that NFL prospect TE Garrett Oakley (14 career TD catches) is expected to be available after missing the past two games.
10/29 10:40 AM PDT	179/180 Kansas State @ Colorado	Colorado	Quarterback Julian Lewis, who started the first four games of the season for the Buffs, suffered a medical emergency at the team facility on Wednesday and was transported to a nearby hospital. No specifics were noted though Lewis is reportedly recovering, and his availability for Saturday appears very unlikely (he's been listed as doubtful on the official injury report). Fortmer Utah transfer Isaac Wilson will be making his fourth consecutive start at QB for Colorado.
10/27 3:10 PM PDT	249/250 Indianapolis @ Jacksonville	Indianapolis	Whelp, that was fast. In the four hours since we clicked "submit" on this Colts-Jaguars preview, Indianapolis has already traded guard Quenton Nelson (to Seattle) and defensive tackle DeForest Buckner (to San Francisco).
10/27 1:08 PM PDT	201/202 Wisconsin @ Iowa	Iowa	Iowa running back Kamari Moulton will miss the rest of the regular season as he recovers from a hand injury. Moulton was averaging 6.3 yards per carry with four touchdowns for the Hawkeyes.
10/27 12:53 PM PDT	193/194 Mississippi St @ Texas	Texas	Wide receiver Cam Coleman and running back Hollywood Smothers were both limited participants in practice on Tuesday. Coleman was unable to finish last week's win over Ole Miss as he battled a shoulder injury. Star defensive end Colin Simmons did not play last week against the Rebels as he deals with an ankle injury.
10/27 12:08 PM PDT	193/194 Mississippi St @ Texas	Mississippi St	Mississippi State QB Kamario Taylor will miss the rest of the season with a toe/foot injury. Freshman Parker Puckett and veteran QB AJ Swann will compete for the starting job in practice this week.
10/27 12:05 PM PDT	197/198 UTEP @ North Dakota State	North Dakota State	NDSU quarterback Nathan Hayes is listed as questionable with an ankle injury. The Bison have a bye on the horizon, so there may be some incentive to get Hayes some rest with NDSU listed as a 24.5-point favorite in this matchup with the Miners.
10/27 11:01 AM PDT	183/184 Northwestern @ Oregon	Oregon	After Ducks QB Dante Moore missed a third-straight game last Saturday at Illinois due to concussion protocols, HC Dan Lanning has said it is unlikely that Moore will be allowed to return to active duty this season. . In his Monday press conference, Lanning was not optimistic that Moore would be able to return during the regular season.
10/27 4:53 AM PDT	207/208 Washington State @ San Diego State	San Diego State	With QB Jayden Denegal nursing a sore ankle, head coach Sean Lewis went with Stone Saunders last week at Colorado State, and the freshman responded with 369 pass yards and a pair of TDs in a wild 56-49 loss. Though Denegal could be available by the weekend, Lewis has already announced that Saunders will get the starting nod once again for the Aztecs on Saturday at Snapdragon vs. the Cougars.
10/27 4:30 AM PDT	195/196 Washington U @ Nebraska	Washington U	Huskies two-year starting QB Demond Williams, KO'd with a shoulder injury in the loss to Iowa on October 9 and out for the subsequent game at Purdue, returned to practice during the bye week. Though head coach Jedd Fisch has been reluctant to announce Williams' return to the starting lineup due to the superb form of backup Elijah Brown, a former Stanford transfer who tossed six TD passes in six quarters of relief and impressively led the 38-26 win at Purdue on October 16.
10/27 4:16 AM PDT	189/190 Ohio State @ USC	Ohio State	Ohio State QB Julian Sayin has been ruled out for the remainder of the regular season due to an arm injury suffered at Indiana on October 17. Head coach Ryan Day is still to decide for this week between true freshman Luke Fahey (who got the call from the bullpen against the Hooisers) and sophomore Tavien St. Clair. Both were decorated high school recruits, though several Big Ten observers wouldn't be surprised if Day uses some combination of both on Saturday.
10/27 4:09 AM PDT	185/186 Nevada @ UCLA	Nevada	Nevada was down to third-string QB and UCLA transfer Luke Duncan last week vs. San Jose State. There was little drop-off from the two injured QBs (Carter Jones and AJ Bianco; status still iffy for each this week) ahead of him on the depth chart.
10/27 3:08 AM PDT	177/178 Connecticut @ Air Force	Air Force	The Falcons were down to their third QB last week as senior Josh Johnson and freshman Howard FIsher IV had to take snaps at Wyoming following a toe injury suffered by first-stringer Evan Medders, himself in the lineup because normal-starter Liam Szarka went down for the season with a knee injury in the Navy game on October 3. Falcons' head coach Troy Calhoun is expected to announce a starter later in the week as Medders isn't expected to be available again until sometime in November.
10/27 3:04 AM PDT	175/176 Arizona State @ BYU	Arizona State	The Sun Devils turned to true freshman QB Jake Fette in the second half last week vs. Kansas State after recently-promoted starter Mikey Keene left the game with a leg injury and Kentucky transfer (and former starter) Cutter Boley was once more ineffective, this time in relief. Fette, a highly-touted frosh, directed a pair of late TD drives to get ASU over the hump last Saturday in a 28-17 win. Word from Tempe is that head coach Kenny Dillingham is waiting until alter in the week to announce QB plans for this week's trip to Provo.
10/27 2:52 AM PDT	259/260 Kansas City @ Denver	Denver	A few potentially impactful injury notes out of last Sunday's 30-16 win at Arizona, as both WR Jaylen Waddle (shoudler) and DE Zach Allen (hamstring) left the game in the fourth quarter and did not return. Waddle's injury appears to be more concerning, though the status for both will be updated later in the week. Star CB Patrick Surtain II, who has missed the past three games with an ankle injury, is expected to return to active duty on Sunday.

10/26 2:08 PM PDT	191/192 Auburn @ Mississippi	Mississippi	Ole Miss running back Kewan Lacy has been battling arm injuries over the last month, and he suffered a dislocated shoulder in last week's loss to Texas. Lacy will not play in this week's contest against the Tigers.
10/26 2:08 PM PDT	171/172 Arizona U @ Texas Tech	Texas Tech	Texas Tech running back Cameron Dickey is expected to return this week after missing the Red Raiders' last two games with an ankle injury. Dickey ran for 1,124 yards with 16 touchdowns last season.
10/26 2:07 PM PDT	165/166 Coastal Carolina @ Georgia State	Georgia State	Georgia State QB Cameran Brown is listed as questionable on the Panthers' early-week injury reports. Brown was limited to just ten pass attempts in last week's loss at Arkansas State.
10/26 2:06 PM PDT	163/164 Missouri @ Arkansas	Arkansas	Arkansas' top receiver Chris Marshall is expected to play in this contest. Marshall suffered a leg injury against Vanderbilt in Week 7, but is expected to be cleared for this contest. Through the Razorbacks' first six games, Marshall was averaging 7.0 receptions and 95.5 yards per game.
10/26 2:06 PM PDT	127/128 Florida @ Georgia	Florida	Florida head coach Jon Sumrall has no intention of announcing his QB plans before this game kicks off. Former starter Aaron Philo has recovered from a shoulder injury that kept him limited in past weeks, but Coach Sumrall said that he may keep the ball in Tramell Jones' hands if he has a good week of practice.
10/26 1:46 PM PDT	111/112 Troy @ James Madison	James Madison	James Madison running back George Pettaway is not expected to play in this contest. Pettaway was injured in last week's loss to App State. He is averaging 6.6 yards per carry this season with eight rushing touchdowns.
10/26 1:40 PM PDT	175/176 Arizona State @ BYU	BYU	BYU running back LJ Martin is questionable to return this week as he recovers from an ankle injury. Cougars' head coach Kalani Sitake said Martin was "getting closer" but didn't offer a timeline on his potential return. Martin has missed each of the last three games.
