Game Notes

Updated	Game	Applies To	Note
11/05 10:59 AM PST	461/462 NY Giants @ Philadelphia	Philadelphia	The Eagles are making the QB switch from Tanner McKee to newly-acquired Joe Milton III. This is Milton's third year in the NFL, but his first career start after being signed off the Cowboys' practice squad last month.
11/05 10:56 AM PST	473/474 Arizona @ Seattle	Arizona	The Cardinals traded former QB Jacoby Brissett to Baltimore earlier this week, likely paving the way for veteran Gardner Minshew to eventually hand the reins to rookie Carson Beck over the next few weeks.
11/05 10:51 AM PST	419/420 Miami Florida @ Notre Dame	Miami Florida	Hurricanes' star receiver Malachi Toney is expected to undergo ankle surgery on Thursday and will likely miss the next 4-6 weeks, but will hope to return for the College Football Playoff, assuming Miami is involved.
11/05 9:48 AM PST	473/474 Arizona @ Seattle	Seattle	Seahawks QB Sam Darnold will miss this contest and potentially a few more as he deals with an injured quad. Drew Lock is the Seahawks' back-up and he's seen significant minutes in two games earlier this season, but Lock is also dealing with an elbow injury that's kept him limited for the past few weeks. Former Alabama QB Jalen Milroe, who still hasn't thrown a pass in his NFL career, would be the Seahawks' starter if Lock is unable to go.
11/04 6:39 AM PST	453/454 Cleveland @ New Orleans	Cleveland	Browns QB Deshaun Watson is a very late addition to the league's concussion protocol. Cleveland said that Watson passed two evaluations on Sunday and Monday, but began experiencing concussion symptoms on Tuesday morning. Given how late in the week this was announced, it seems unlikely that Watson will be cleared in time for Sunday's game.
11/03 1:31 PM PST	421/422 Fresno State @ Utah State	Utah State	The Aggies made a QB switch last week vs. Colorado State, as Bronco Mendenhall benched Grady Brosterhous, who had been in the starting lineup since mid-September, and returned to opening-game starter and ex-BYU McCae Hillstead, who completed 17 of 22 passes and rushed for 79 yards, both passing and running for a TD, in an uplifting 31-14 win over the Rams. Hillstead is expected to remain in the Aggies lineup moving forward.
11/03 1:21 PM PST	417/418 Air Force @ Army	Air Force	Troy Calhoun's Falcons, down top-two QBs Liam Szarka and Evan Medders due to injury, opted for ex-linebacker and 245-pound bulldozer Kemper Hodges at QB last week vs. UConn, and Hodges responded with a punishing 200 rushing yards in the Falcons' 35-26 win in Colorado Springs. Hodges also started a game and won at Northern Illinois earlier in October, and worth noting that Air Force didn't complete a pass in either of the games Hodges has started! Though Medders (ankle) would likely get the start this week if available, Calhoun will not mind having to stick with Hodges one more week.
11/03 1:17 PM PST	413/414 Boise State @ Colorado State	Boise State	Broncos QB Maddux Madsen was knocked out of last week's game vs. Texas State with a leg injury late in the third quarter and did not return to the game, instead seen using crutches on the sidelines in the fourth quarter. Backup QB Max Cutforth, who saw extensive action last November, fired three TD passes to steal a wild 46-45 win over the visiting Bobcats. Boise HC Spencer Danielson wasn't specific early in the week regarding the status of Madsen, other than intimating he'd be "back here soon," with no specific timetable. This news likely gets updated later in the week, though Cutforth's performance out of the bullpen should allay some of the fears in the Bronco fan base.
11/03 1:11 PM PST	393/394 Rice @ North Texas	Rice	With do-eveything QB Jacurri Brown out with an ankle injury, the Owls unveiled a stealth weapon, sophomore QB Gael Ochoa, who rushed for a whopping 259 yards out of Scott Abell's ground-oriented "Gun-Option" in a wild 51-49 Rice loss in Boca Raton on October 24. Brown's status remains up in the air for this weekend, though when last seen, the Owls didn't seem to miss him much at FAU.
11/03 1:07 PM PST	385/386 Oregon @ Ohio State	Oregon	The Ducks announced last week that QB Dante Moore will not be returning to active duty this season as he continues to deal with protocols after the scary concussion suffered in the September 26 win over USC at the LA Coliseum.
11/03 12:10 PM PST	369/370 BYU @ Utah	BYU	Out since twisting an ankle on October 3 at TCU, last year's leading BYU rusher LJ Martin (1,305 yards in 2025) will reportedly have a chance to return to active duty on Saturday, though HC Kalani Sitake won't know for sure until later in the week.
11/03 12:05 PM PST	365/366 Colorado @ Arizona State	Arizona State	With Fresno State (and elsewhere) transfer Mikey Keene sidelined by a leg injury, freshman QB Jake Fette got the start last Saturday at BYU and acquitted himself well, tossing a pair of TDs and no picks in the Sun Devils' narrow 27-20 loss in Provo. Fette had featured the week before off the bench vs. Kansas State and delivered a pair of TD drives in the fourth quarter of a 28-17 win over the Wildcats. Keene is likely to be available for this week but Big XII sources believe HC Kenny Dillingham will stick with Fette for the time being after his encouraging recent efforts. Early-season starter and Kentucky transfer Cutter Boley appears out of the frame at the moment after being benched by Dillingham in the Texas Tech blowout loss three weeks ago.
11/03 11:52 AM PST	355/356 Oklahoma State @ Kansas State	Kansas State	Last Saturday at Colorado, K-State was down to its fourth QB, though junior Blake Barnett did provide a spark off of the bench when tossing three TD passes vs. the Buffaloes. It was still a losing effort in OT at Boulder, however, and now Wildcats HC Collin Klein is looking at starting a fourth different QB in as many weeks with starter Avery Johnson (neck/shoulder; now likely done for season), backup Jacob Knuth (ankle), and sophomore Dillon Duff (ineffective at Colorado before getting pulled) not likely in the picture for this Saturday's visit from the Cowboys.

11/03 11:46 AM PST	323/324 New Mexico @ Nevada	Nevada	Note that the Wolf Pack gave UCLA transfer Luke Duncan, usually third on the depth chart, a second straight start last week at the Rose Bowl vs. his former Bruins team, but after tossing three picks in the first 7:27 was pulled by HC Jeff Choate in favor of normal backup AJ Bianco, who had been dealing with an ankle sprain but was available if needed...and he became needed early thanks to Duncan's mistakes. First-stringer Carter Jones has been sidelined in recent weeks due to an elbow issue and he is doubtful again this week.
11/03 11:07 AM PST	411/412 Kentucky @ Tennessee U	Kentucky	Kentucky running back CJ Baxter is expected to return this week. Baxter missed the game against Oklahoma and was only able to generate one catch and one rushing attempt against Vanderbilt with an injured shoulder.
11/03 11:03 AM PST	347/348 Clemson @ Syracuse	Clemson	Clemson running back Gideon Davidson is not expected to play this week after suffering an ankle injury in last week's win over Florida State. Davidson is averaging 5.0 yards per carry with five touchdowns this season.
11/03 11:03 AM PST	375/376 Penn State @ Washington U	Penn State	Penn State wide receiver Chase Sowell is expected to play this week at Washington after missing last week's win over Purdue. Koby Howard is now listed as questionable after missing each of the last five games with a lower body injury.
11/03 10:55 AM PST	331/332 Florida State @ Boston College	Florida State	Florida State's top receiver Duce Robinson (18.3 yards per reception with four touchdowns) suffered a torn ACL in last week's loss to Clemson and will miss the rest of the season.
11/03 8:44 AM PST	471/472 Green Bay @ New England	Green Bay	Packers' edge rusher Micah Parsons is expected to return to practice this week, but head coach Matt LaFleur said, "It's gonna be a process trying to get him back." Parsons suffered a torn ACL last December and will likely return to the field within the next few weeks.
11/03 7:42 AM PST	465/466 Denver @ Carolina	Carolina	Carolina fired defensive coordinator Ejiro Evero and defensive passing game coordinator Jonathan Cooley last week. Todd Wash has been named the interim DC and former Pro Bowl cornerback DeAngelo Hall has been brought back to the organization to work with the defensive backs.
11/03 6:35 AM PST	459/460 Dallas @ Indianapolis	Dallas	Defensive back Caleb Downs, safety PJ Locke, edge rusher Malachi Lawrence, cornerback Joey Porter, Jr. and tight end Jake Ferguson all suffered injuries in last week's loss to Arizona. Downs needs to clear concussion protocol, while Lawrence is expected to miss a few weeks with an ankle injury.
11/02 11:07 PM PST	369/370 BYU @ Utah	Utah	Top Utes rusher Wayshawn Parker (726 YR) missed the second half of last week's 49-25 win at Cincinnati due to a thigh contusion. Regional sources, however, report the move was mostly cautionary as the game was well in hand, and Parker is expected to be available for this BYU showdown.
11/02 3:49 PM PST	311/312 Jacksonville @ Baltimore	Baltimore	The Ravens placed QB Lamar Jackson on IR with a thumb injury, forcing him to miss the next four weeks (at minimum). Tyler Huntley is doubtful with a toe injury, leaving third-string rookie Joe Fagnano as the likely starter this week.
11/02 3:09 PM PST	477/478 Buffalo @ Minnesota	Minnesota	Vikings' QB Kyler Murray is being evaluated for a hamstring issue. He has an extra day for treatment with Minnesota playing on Monday, but early indications suggest he may be limited in practice this week.
11/02 3:05 PM PST	463/464 NY Jets @ Kansas City	NY Jets	Jets' running back Breece Hall is expected to return this week after missing each of the last five games with a quad injury.
11/02 3:04 PM PST	471/472 Green Bay @ New England	New England	Question marks continue to swirl around the Patriots' receiving corps. AJ Brown did not play in last week's win over Miami and head coach Mike Vrabel wasn't overly-optimistic at Brown's outlook for this upcoming week. Mack Hollins is scheduled to come off IR this week, but it is unclear if he will actually take the field.
11/02 3:04 PM PST	455/456 Detroit @ Miami	Detroit	Lions' linebacker Jack Campbell suffered a neck injury in last week's win over the Vikings while making a tackle. On Monday, Detroit's front office announced that "preliminary indications are positive" but he continues to be monitored at a Detroit-area hospital.
11/02 2:17 PM PST	327/328 Central Florida @ Kansas	Kansas	Kansas QB Isaiah Marshall did not play in last week's loss at TCU after suffering a lower-leg injury the previous week against Baylor. Cole Ballard, who has four years of experience in the Jayhawks' program, went 20-of-35 for 285 yards against the Horned Frogs.
11/02 2:11 PM PST	415/416 Sam Houston St @ Jacksonville St	Sam Houston St	Sam Houston QB Landyn Locke is listed as questionable with an undisclosed injury. Locke was a somewhat-surprising scratch before last week's game against Missouri State as back-up DJ Bailey was thrust into the starting role.
11/02 2:09 PM PST	319/320 South Florida @ East Carolina	South Florida	South Florida QB Michael Van Buren Jr. did not finish last week's win over UAB with an undisclosed injury. Former Florida State transfer Luke Kromenhoek secured the win and he may be in line for the start this week.
11/02 1:44 PM PST	379/380 Georgia @ Mississippi	Mississippi	Ole Miss running back Kewan Lacy (5.0 yards per carry with five TDs) is not expected to return for this one as he deals with a shoulder injury. Lacy has missed two games this season, including last week's blowout win over Auburn.

11/02 12:46 PM PST	403/404 Temple @ Navy	Temple	Emerging tight end Peter Clarke suffered a broken leg in last week's loss to East Carolina. Clarke caught ten balls for 215 yards with two touchdowns over the Owls' previous two games against UConn and Charlotte before going down against the Pirates.
11/02 12:42 PM PST	381/382 Oklahoma @ Florida	Oklahoma	Oklahoma fired offensive coordinator Ben Arbuckle after last week's loss to South Carolina. Tight ends coach Jason Witten will serve as the Sooners' primary playcaller down the stretch.

Hardy only carried the ball twice in last week's win over Arkansas, and it remains to be seen what kind of workload he will be able to handle over the next few weeks.
11/02 12:38 PM PST	343/344 Texas @ Missouri	Texas	Texas wide receiver Cam Coleman continues to struggle with injuries, namely to his shoulder. He's been unable to finish the Longhorns' last two games and he is listed as questionable once again on the early-week injury report.
