Game Notes

Updated	Game	Applies To	Note
11/10 1:35 PM PST	275/276 Minnesota @ Green Bay	Green Bay	Packers running back Josh Jacobs is expected to miss the next few weeks after undergoing surgery to correct a fractured finger.
11/10 1:32 PM PST	281/282 San Francisco @ Dallas	San Francisco	San Francisco acquired wide receiver Keenan Allen from the Colts at the trade deadline.
11/10 1:32 PM PST	279/280 LA Rams @ Arizona	Arizona	Cardinals' QB Gardner Minshew is undergoing testing for an elbow injury this week. With Jacoby Brissett now in Baltimore, that leaves rookie Carson Beck in line for the potential start this week and possibly the rest of the season.
11/10 1:31 PM PST	279/280 LA Rams @ Arizona	LA Rams	Rams' wide receiver Puka Nacua is expected to miss the next month with knee and toe injuries, although LA has not made a firm decision to place him on IR.
11/10 1:30 PM PST	267/268 Miami @ Indianapolis	Miami	Miami placed QB Malik Willis on IR with a groin injury.
11/10 1:30 PM PST	267/268 Miami @ Indianapolis	Indianapolis	Indianapolis shipped its top two receivers - Keenan Allen and Josh Downs - to the 49ers and Chiefs, respectively.
11/10 1:27 PM PST	263/264 Buffalo @ NY Jets	Buffalo	On Tuesday, Buffalo traded for Tennessee Titans safety Amani Hooker, who leads the NFL with five interceptions this season.
11/10 1:24 PM PST	265/266 Jacksonville @ Tennessee	Jacksonville	At the trade deadline, Jacksonville acquired safety Jessie Bates III, defensive tackle Davon Godchaux and defensive tackle Jordan Davis.
11/10 1:24 PM PST	261/262 New England @ Detroit	General Event	New England is expected to be without its top two running backs, Rhamondre Stevenson and TreVeyon Henderson, for the foreseeable future.
11/10 1:10 PM PST	269/270 Kansas City @ Atlanta	Kansas City	Patrick Mahomes and Xavier Worthy are both expected to be limited in practice this week. Mahomes dodged a bullet after taking a scary hit to his throwing arm, but with no structural damage, he just needs to get past the overall soreness.
11/10 12:03 PM PST	231/232 Utah State @ San Diego State	San Diego State	There is a chance the Aztecs might have QB Jayden Denegal available for the first time since October 17 vs. Fresno State as he has been dealing with an ankle injury. If Denegal can't make the post, frosh QB Stone Saunders will be making a third consectuve start
11/10 11:49 AM PST	227/228 San Jose State @ Air Force	Air Force	With QB Evan Medders back from an ankle injury, Falcs HC Troy Calhoun would alternate Medders with 245-lb. ex-LB Kemper Hodges in last week's 24-21 win at Army.
11/10 11:48 AM PST	227/228 San Jose State @ Air Force	San Jose State	The Spartans went back to frosh QB Daniel Rolovich, who had been KO'd in the game at Nevada on October 24, last week vs. Northern Illinois, with SJSU getting its second win with Rolovich at the controls.
11/10 7:23 AM PST	229/230 UNLV @ New Mexico	UNLV	Rebels HC Dan Mullen made a QB switch in the second half last Saturday vs. Wyoming, with ex-Michigan transfer Alex Orji replacing starter Jackson Arnold and leading a pair of TD drives that pulled UNLV closer to the Cowboys. No word yet on a possible permanent switch, though Mountain West sources believe Mullen will be contemplating as much this week.
11/10 7:12 AM PST	223/224 Oregon State @ Boise State	Boise State	The Broncos were minus QB Maddux Madsen (knee) last week at Colorado State, though HC Spencer Danielson has indicated the injury is not season-ending. The Madsen news can also be regarded as a sidebar storyline at best as backup QB Max Cutforth has looked better than Madsen ever did, tossing seven TD passes across the past five quarters of Boise football against Texas State and the Rams, as the Broncos have scored a hard-to-fathom 85 points (!) in that span, including 64 last week at Fort Collins vs. the defenseless Rams!
11/10 6:59 AM PST	199/200 Arizona State @ Central Florida	Central Florida	Top Knights rusher and Louisville transfer RB Duke Watson (596 rushing yards, 6.3 yards per carry in 2026) went out early with a foot injury in last Saturday's exciting 33-32 UCF win at Kansas. Watson was seen in a walking boot along the sideline later in the game, with an update on his status likely coming later in the week from HC Scott Frost.
11/10 6:41 AM PST	197/198 Kansas State @ TCU	Kansas State	With starting QB Avery Johnson still sidelined (likely for the season) by neck/shoulder injuries and backup Jacob Knuth hobbled by an ankle sprain, WIldcats HC Collin Klein had to go once more with third-and-fourth options Blake Barnett and Dillon Duff last week vs. Oklahoma State. Results were predictable as the pair combined for three picks in a heavy loss to the Cowboys. Unless Knuth recovers quickly, Klein is likely forced into the same situation with his QBs this week.
11/10 6:27 AM PST	175/176 Wyoming @ UTEP	Wyoming	Emerging Cowboys QB Tyler Hughes (400 rushing yards the past three games) didn't play in the second half of last Saturday's 41-35 win at UNLV, as an arm injury put backup Landon Sims in the lineup for the last 30 minutes. More updates on the status of Hughes to come later in the week, though Mountain West sources won't be surprised if HC Jay Sawvel errs on the side of caution and not risk Hughes this week with the New Mexico showdown on deck next Saturday.

11/10 6:26 AM PST	175/176 Wyoming @ UTEP	UTEP	Nagging injuries continues to hamper Miners QB EJ Colson Jr, who missed altogether last Saturday's 17-14 loss to Hawaii while backup Raymond Moore III (who has taken almost as many snaps as Colson this season) went all of the way at the Sun Bowl.
